

Mrs. Barth's Tech Lab Homework Club

Permission Requirements and Rules of the Tech Lab

I will be offering HOMEWORK CLUB in the TECHNOLOGY LAB on Tuesdays, from
2:50 to 4:10 p.m.

Homework Club is a structured after school time where students who need extra help or computer and printer use to complete assignments. This is not to be used as punishment. This is a privilege and an opportunity to get homework done before leaving school.

- Students must bring assignments to work on during Homework Club. **If finished, reading will be required. (Not online)**
- No food or drink is allowed in the TECH LAB.
- Online searching is restricted to LRC Links or with supervised accommodations only. (That means Mrs. Barth stands behind you while you search.)
- Games are restricted to TyperShark practice. **NO ONLINE GAMES ALLOWED.**
- Students will provide Mrs. Barth with a signed permission slip granting them permission to attend Homework Club plus they will sign in and out on an attendance log each week.
- Grade Checks are allowed and computer use for specific classes such as Science may be used during Homework Club.
- Parents/Guardians will be called to pick up their children if the students do not abide by the rules of the Homework Club or Tech Lab.

I enjoy providing this service to our students and look forward to having a full class.

I have read the above expectations and agree to follow these guidelines.

Student Signature

Date

I have reviewed the expectations with my child and grant permission for his/her participation in this activity for every Tuesday unless I notify Mrs. Barth by phone, email, or note in writing and signed by parent/guardian.
