Welcome to the 2015-16 school year. Here is the list of supplies that your student will need to be successful in 7th grade. Physical Education Department

Every TMS student will need the following equipment for the Physical Education Class in which they are enrolled.

1. An un-altered TMS PE T-Shirt. These will be available for purchase at registration in the main office. The cost is $5.00. Students may also need a sweatshirt from home for cooler days.
2. Gym type shorts or sweatpants. The PE outfit must be something in which they are able to participate freely without restrictions. It is important that PE clothing will comply with the TMS dress code, and will not jeopardize the student’s health or safety. Please try to label all of your PE clothes.
3. Two pair of athletic shoes (One pair for outdoor use and one pair for indoor use ONLY). The indoor shoes need to be clean with non-marking bottoms and will not be used outside. The shoes do not have to be new; an old pair can be cleaned for PE. For safety, NO platform PE shoes.
4. Students should remove jewelry as specified in the PE course syllabus.
5. Hair ties, clips or headbands to hold hair out of the face.
